We moved from the farm on January 1, 1962, and she never ever lived with us in that house in town. Just a couple of months or so after we moved to town, Sarah brought Mike and Gary over and dumped them off so Mother had her hands full with trying to get everything settled and take care of a three year old and a one year old. That summer Chloe Dean would walk over (they lived just up the street where Burke Lennington now has his auto repair shop) and help with the boys. My mother's health wasn't very good so she was a big help. She was pregnant with Clark and by the end of summer almost didn't have a lap to rock Gary to sleep. He was then born on December 10, 1962. If he had been born Dec 1963, as is listed, that would have made him only 4 months older than Kent, April, 1964. Hey, I know she could do pretty much everything she set her mind to, but even she couldn't pull something like that off! haha!
